GLOBAL 2025

Beyond Borders

Kerala's Digital Pathway to the Future

The Premier Global Technology Gathering showcasing Kerala's Innovation, Talent, and Business Opportunities.

FEB 13 14 15 2025

📍 CALICUT TRADE CENTRE, KOZHIKODE

www.ktxglobal.com

Destination Calicut

Calicut, also known as Kozhikode, is a city of historical and industrial significance in Kerala. Traditionally known for thriving industries like textiles, agro and food products, seafood processing, and pharmaceuticals, Calicut is now rapidly emerging as a key player in Kerala's IT sector. Its strategic location, skilled workforce, supportive government policies, and growing

startup ecosystem have positioned it as a hub for innovation and growth.

As a prominent gateway to the Middle East and GCC countries, Calicut offers immense potential for fostering international trade, partnerships, and technological collaboration, further cementing its role as a major trade and IT center in the region.

Overview of KTX 2025

The Kerala Technology Expo (KTX) 2025, in its second edition, is designed to showcase Calicut's growing prominence as an IT and ITES destination. The event will bring together innovators, policymakers, business leaders, and technology enthusiasts to gain insights into emerging trends, build valuable connections, and unlock opportunities in the emerging tech sectors. With the theme 'Beyond Borders: Kerala's Digital Pathway to the Future,' KTX 2025 serves as a platform to drive tech investment, promote national and international collaborations, and position Calicut as a new leader in innovation & technology.

Event Spectrum

What KTX 2025 Offers?

Why Partner with KTX?

Interested in partnering for impact?

Join with KTX 2025, elevate your brand's presence, and drive innovation in the following ways:

Unparalleled Visibility

Partners gain high-profile exposure to a global audience of technology leaders, investors, and policymakers, positioning their brand at the forefront of innovation.

Market Leadership

By associating with Kerala's flagship technology event, sponsors can showcase their commitment to driving digital transformation and regional development.

Talent and Innovation Access

Partners can engage directly with startups, entrepreneurs, and tech talent, opening doors to partnerships and recruitment opportunities.

Strategic Networking

KTX offers a unique platform to connect with decision-makers from government bodies, public sector units (PSUs), and leading private enterprises for future collaborations.

Impactful Branding

Partners enhance their corporate social responsibility (CSR) credentials, aligning with initiatives that drive sustainable growth and technological excellence.

Exhibition An Unparalleled Showcase

The KTX exhibition floor will be an exciting showcase of innovations from key sectors like IT, electronics, AVGC, semiconductors, and more. It will have dedicated pavilions for leading IT companies, Startups, International, Universities & Academia, R&D organizations, States of India and Technology parks. The Expo will provide you with an unparalleled platform to forge strategic partnerships, expand your network, and gain visibility in a rapidly evolving tech ecosystem.
